PSORI-DERM®

TRATTAMENTO COSMECEUTICO PER DERMATITI E PSORIASI COSMECEUTICAL TREATMENT FOR DERMATITIS AND PSORIASIS KOSMEZEUTISCHE BEHANDLUNG GEGEN DERMATITIS UND PSORIASIS

L'azione combinata dei tre prodotti **Psori-Derm** promuove in modo significativo il miglioramento della cute con dermatiti e psoriasi. Test Clinici hanno dimostrato l'efficacia del trattamento dopo 30 giorni di applicazioni. Non contiene alcol, profumo e coloranti.

The combined action of the three Psori-Derm products significantly promotes improvement in scalps suffering from dermatitis and psoriasis. Clinical tests have proven the treatment's efficacy after 30 days of application. It does not contain alcohol, perfume or colouring agents.

Die kombinierte Wirkung der drei Produkte Psori-Derm fördert deutlich die Verbesserung der von Dermatitis oder Psoriasis betroffenen Kopfhaut. Klinische Tests haben die Wirksamkeit der Behandlung nach 30 Anwendungstagen bewiesen. Enthält keinen Alkohol, keine Duft- oder Farbstoffe.

1

COLLAGENOIL idrolizzato 10%

Olio bifasico al collagene marino idrolizzato 10%.
Ammorbidisce ed asporta le desquamazioni cutanee accentuate. Favorisce la riepitelizzazione di escoriazioni e piccole lesioni. Agitare con cura prima dell'uso. Distribuire sul cuoio capelluto e sulle zone del corpo irritate, con rossore e desquamazione (gomiti, ginocchia, barba). Lasciare agire 15 minuti prima di lavare i capelli con DELICE shampoo. Ripetere l'applicazione 2 volte/settimana.

10% hydrolysed COLLAGENOIL
Bi-phase oil with 10% hydrolysed marine collagen. Softens and gently removes scaling from the scalp reducing redness and itching. Encourages re-epithelialisation of small wounds and grazes. Shake well before use. Spread over the scalp and parts of the body irritated by redness and scaling (elbows, knees, beard). Leave to act for 15 minutes before washing your hair with DELICE shampoo. Repeat the application twice a week.

2

DELICE shampoo

Delicatissimo shampoo-olio con ottima dermo compatibilità e potere schiumogeno.
NO SLS/SLES
Specifico per i processi desquamativi accentuati. Distribuire una dose (1 tappo) sui capelli inumiditi, massaggiando delicatamente. Lasciare agire 3-5 minuti e sciacquare a lungo. Se necessario ripetere l'applicazione. Indicato per lavaggi frequenti, per i capelli sottili e fragili dei bambini. Adatto anche per il corpo: poche gocce su una spugna inumidita.

DELICE shampoo
Extremely mild shampoo-oil with excellent tolerability and dermo-compatibility.
SLS/SLES FREE Spread a dose (1 cap) on moistened hair massaging gently. Leave to act for 3-5 minutes and rinse abundantly. Repeat the application if necessary. Indicated for frequent washing and for thin and fragile children's hair. Also suitable for the body: put a few drops on a damp sponge.

3

DERM REPAIR Siero

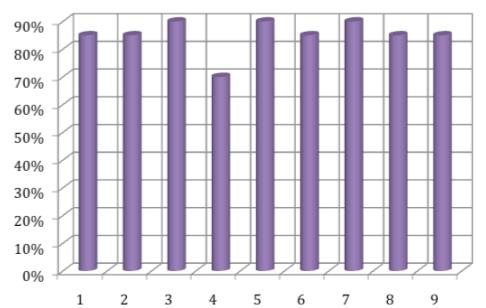

Siero iperenitivo protegge, ripara e ricostruisce il film molecolare dell'epidermide ripristinando efficacemente la funzione barriera cutanea alterata. Sulla cute pulita distribuire nelle zone arrossate, desquamate, con prurito (cuoio capelluto, barba, sopracciglia, gomiti, ginocchia). Non risciacquare. Non unge. Ripetere l'applicazione più volte al giorno. Può essere usato prima della crema viso abituale.

DERM REPAIR Serum
Super soothing and anti-itching, it reconstructs and protects the epidermal molecular film. Spread on clean skin in the areas irritated by redness, scaling and itching (scalp, beard, eyebrows, elbows, knees). Do not rinse. Non-greasy. Repeat the application several times a day. Can be used under the usual face cream.

DERM REPAIR Serum
Das stark lindernde, den Juckreiz besänftigende Serum baut den Molekularfilm der Haut wieder auf und schützt ihn nachhaltig. Auf die saubere Haut in den geröteten und schuppenden, von Juckreiz betroffenen Bereichen auftragen (Kopfhaut, Bart, Augenbrauen, Ellbogen, Knie). Nicht ausspülen. Nicht fettend. Die Anwendung mehrmals täglich wiederholen. Kann unter der gewöhnlich benutzten Gesichtscreme verwendet werden.

TEST CLINICI CON CONTROLLO DERMATOLOGICO - UNIVERSITÀ DI ROMA PARMA E FERRARA - NICKEL TESTED
CLINICAL TESTS WITH DERMATOLOGICAL CONTROLS - UNIVERSITY OF ROME, PARMA AND FERRARA - NICKEL TESTED
